

RAUMATI SWIMMING CLUB INC

Dear Members

Fees for 2021/22

At our last Board meeting, we considered the Club Fees for 2021/22 and I am now writing to you to let you know the decisions that were taken.

After consideration and seeing the increases that both SNZ and SW have introduced, the Board has decided to leave the club annual registration fees unchanged. This will be reviewed again prior to June 2022.

This year, the registration fee will be as follows:

	Competitive Swimmer	Club Swimmer	Recreational Swimmer
SNZ	66.50	60.00	-
SW	50.00	15.00	-
Raumati Swimming Club	74.50	74.50	74.50
Total	191.00	149.50	74.50

The Recreation swimmer category is for swimmers that would only compete at club championships and club nights. They can enter school competitions, as these are not club based.

The Club swimmer's category is for swimmers who want to compete at inter club meets, club championships and club nights but are not yet ready to compete at larger competitions, such as Regional and National Champs. They can also enter interschool competitions, as these are not club based.

Swimming New Zealand Membership Categories	2021-2022 Annual Fees	Club Night / Club Champs	Inter-Club Meets	Regional Championships	National Events
Recreational Swimmer	\$74.50	✓	Rectangular Snip		
Club Swimmer	\$149.50	✓	✓		
Competitive Swimmer	\$191.00	✓	✓	✓	✓

There will be some administration changes to be made and so we are asking that you do not pay your registration fees until we have confirmed that you can do so. This will be done as soon as possible after 1 July.

Thank you for your continuing support.
